## Contemporary art meets contemporary music!

**Hung Liu** is a renowned artist whose work appears in the collections of SFMOMA, the Whitney and Metropolitan Museums, the National Gallery, and many other institutions. She has generously donated a limited edition series of 45 prints of her painting *Dirge* as a fundraiser for the San Francisco Contemporary Music Players. Handmade by Electric Works Gallery, each 18-inch square archival pigment print is presented in an attractive portfolio.

**The San Francisco Contemporary Music Players** is a 501(c)3 nonprofit ensemble that performs innovative new music of exceptional interest. All proceeds from this sale support the ensemble's commissioning, performance, and outreach programs.
